AUSTRALIA DAY HONOURS LISTS

Dear Sir,

It has come to our attention that you, in your official capacity as Foreign Minister, have forged a new path in international relations with your handling of the East Timorese protest outside the Indonesian Embassy in Canberra. Quite clearly it is necessary to prevent the embarrassment of a minority group in this great country, claiming, against all evidence, to be commemorating the deaths of a large number of their fellow countrymen. We know, because the Indonesians have told us so, that few, if indeed any, people died, in fact it could be even classified as doubtful that there were any people involved at all. Therefore, your actions in calling on the Federal Police to remove the clearly inaccurate demonstration is commendable in the extreme, particularly in the face of the popular misconception of freedom of expression.

In our official capacity as High Priests of the House of the Apostles of the Golden Lady Eris, we wish to congratulate you for helping to restore the integrity of the Australian political regime to its rightful position as the envy and despair of other (and, hence lesser) political regimes.

You are hereby appointed a Second Class Master in the Division of the Bureau of the Department of the Outer Order of Knights of the Four-Sided Circle, Australian Cabal, with all the rights and honours befitting such an achievement. We sincerely hope that you are willing to undertake these duties with a full and intentional vigour, with the memory of the troubled times to come.

If you have any answers, we will be glad to provide you with a full and detailed list of questions.

In the name of Santa Sangre,

Theopobia Minor, Bro. L.C.

High Priest, Inner Cabal.

Elatorialontrelundor, S.D.C.

High Priest, Outer Sanctum.
