Order Of The Peacock Angel

House of the Apostles

Dear Sir,

It has come to our attention that in your official capacity as M.L.C. in the state of New South Wales, you said in a public statement that the opening of a sex advice hotline for young people, run by young people, will do nothing but promote promiscuity, and thus the spread of AIDS. In this day and age it is a refreshing change to see people taking a stand against the worst of all sins – fornication. We feel that your statement will help to provide the youth of today with a viable alternative.

In our official capacity as High Priests of the House of the Apostles of the Golden Lady Eris, we wish to congratulate you for helping to restore the Australian culture to its rightful position as the envy and despair of other (and, hence lesser) cultural systems.

You are hereby appointed a five-star General in the Bureau of the Division of the Department of the Order of the Knights of the Five-Sided Castle, Fringe Cabal, with all the rights and honours inherent with this posting. We hope that you are willing to undertake these duties with a full and undivided vigour in the troubled times to come.

If you have any answers, we will be glad to provide you with a full and detailed list of questions.

In the name of Santa Sangre,

Theopobia Minor, Bro. L.C.

High Priest, Inner Cabal.

Elatorialontrelundor, S.D.C.

High Priest, Rural Cabal.
